

Welcome to the „Hotel Berolina Großbeeren“.

Welcome to "Hotel Berolina Großbeeren". For more than 10 years our guests have enjoyed a lovely stay at the outskirts of Berlin.

Our rooms feature one to four single beds and come with a TV and refrigerator. The rooms do not have individual bathrooms; however there are several bathrooms and showers on each floor.

To guarantee a good start in the day, our restaurant offers an elaborate breakfast buffet. On request we also feature half-board for groups.

We have a sufficient number of car parking spaces available directly in front of the house, free of charge.

There are several restaurants and shops in the direct neighborhood.

Our hotel is located in the quiet outskirts of Berlin, 24 km from the centre

and 20km from the airport Schönefeld/BBI.

Getting there

You can reach our hotel by car via the A10, exit Genshagen towards Berlin. After about 5km you will reach Großbeeren. Turn right at the next opportunity, into the Theodor-Echtermeyer-Weg.

You can also reach our hotel by car via the B101, exit Großbeeren Nord/GVZ towards Großbeeren until the intersection "Berliner Straße". There turn right and drive to the traffic circle (in the middle you will see a memorial tower) and continue straight ahead. After about 500m turn left into the Theodor-Echtermeyer-Weg.
